

First Class 15 Day Package

Egypt & Jordan

Day 1: Departure

Our life-changing journey begins this evening as we board our overnight flight to Cairo, Egypt.

Day 2: Arrive Cairo

We arrive in the land of the Pharaohs, Jacob, Joseph and Israel during the famine! Upon arrival at the airport we meet our guide and are immediately transported into Cairo, the capital of Egypt. We transfer to our hotel to settle in and start soaking up the atmosphere of this exciting city.

Day 3: Alexandria

Breakfast and then a day tour to the ancient seaport of Alexandria where we will see the Greco-Roman culture in Egypt. The second largest city in Egypt, Alexandria, known as "The Pearl of the

Mediterranean", has an atmosphere that is more Mediterranean than Middle Eastern ; its ambience and cultural heritage distance it from the rest of the country. First stop is the Fort at Quit Bay which will be followed with a visit to the ancient Catacombs of Kom and Pompey's Pillar. Before returning to Cairo we will relax with the breath-taking views of the Montaza Palaces.

Day 4: Coptic Cairo, Hanging Church & Alabaster Mosque

We begin our sightseeing with a visit to the Hanging Church - the most famous Coptic church in Cairo. The Hanging Church was named so as it was built by the Nile River over the Roman Gate of Babylon. During a walking tour, our guide will point out that this section of the old city was definitely the route taken by Abraham, Joseph, Moses and the family of Jesus - an inspiring thought. Next we visit the beautiful Alabaster Mosque of Muhammad Ali to better

understand Moslem religious practices. Completed in 1848, the Ottoman-style Muhammad Ali Mosque is the most noticeable in all of Cairo and has dominated the skyline for the past 150 years. A stop will be made at the papyrus factory store, where we see the process of creating lovely Egyptian art pictures.

Day 5: Memphis, Sakkara, Joseph's Storehouses

We enjoy a short ride to Memphis. Founded around 3,100 BC, Memphis is the legendary city of Menes, the King who united Upper and Lower Egypt. From a Biblical perspective, Memphis is most likely where Abraham lied to Pharaoh about his wife Sarah being his sister and where Joseph served as second in command. While in Memphis we will view a very large and well preserved statue of Ramses II. Next is Sakkara, which is one of the most extensive archaeological sites in Egypt! Sakkara is dominated by the Step Pyramid of King Zoser, dating back to 2700 BC. It is one of the oldest stone structures in the world! Enjoy a stop to see how local Egyptian carpets are made before a short drive to the south finds us in Faiyum, the region created by the divinely inspired wisdom of Joseph. Here you will find ancient storehouses and a man-made lake created by a canal, who's construction was ordered by Joseph. It was this lake that provided irrigation for a desert land and supplied the food needed to survive his prophesied seven year famine.

Day 6: Transfer to Aswan, Optional Abu Simbel

This morning after breakfast we transfer to the airport for our flight

to the modern city of Aswan. Upon arrival we take time to visit the High Dam, built from 1960 - 1971 and is a major factor in Egypt's agricultural success. We then also spend time at Philae Temple on the Isi-Island. This complex was moved from up river due to the impending destruction upon the completion of the High Dam. For those who wish to participate a visit is available this afternoon to Abu Simbel, part of the UNESCO World Heritage Site known as the "Nubian Monuments." Our Egyptologist guide discusses the relevance of this spectacular site from Egyptian history. We will also try to put in perspective the long history of Egypt. Here we visit the massive temple of Pharaoh Rameses II, perhaps the greatest builder of temples in ancient Egypt (13th Century BC) and a second one of Queen Nafertari, Rameses's most beloved wife. For those who do not participate on the trip to Abu Simbel, Free Time is available in Aswan followed by a Felucca ride around the Agh Khan Mausoleum. Late this afternoon we embark on our cruise ship and head south to Kom Umbo. We have dinner and overnight on board.

Day 7: Kom Ombo, Edfu, Esna

Breakfast is served on board before traveling to visit the remains of Kom Ombo Temple, situated on the riverside. Unlike most, this temple is dedicated to two gods - the crocodile god of Sebek and the solar god of war, Horus the Great. We spend time here before continuing on to Edfu, the location of one of the best preserved Egyptian Temples. After time for visit we continue through the Esna Lock to Luxor. We have dinner and overnight on board.

Day 8: Esna to Luxor, Karnak

After breakfast our travels continue to Luxor. Upon arrive in Luxor we have free time for lunch before visiting the Temple of Karnak (temple of the New Kingdom period) and the East Bank of the Nile. It was during this period that the bondage and Exodus occurred. Karnak second to Giza's Pyramids, is one of Egypt's most important Pharaonic sites. We visit the famous Temple of Luxor, which was founded in the reign of Amenhotep III, grandson of the pharaoh of the Exodus. Re-board our ship for dinner and overnight.

Day 9: Valley of the Kings, Flight to Cairo

This morning we visit the Valley of the Kings (where many ancient pharaohs were buried) and the famous Temple of Hatshepsut, the princess who perhaps pulled baby Moses out of the Nile River. This temple may have been designed by Moses. We have dinner and overnight on board.

Day 10: Cairo

An early morning flight back to Cairo will allow for a full day of touring the wonders of the ancient world, some of which date back to 1000+ years prior to Abraham. We spend time at one of the seven wonders of the world- the pyramids. Cheops, with an original height of 496 feet, is the most colossal pyramid ever built. Today, we will also see the Sphinx and tour the Egyptian Museum, location of Tutankhamen's treasures and ancient remains.

Day 11: Sharm el-Sheikh, Mt. Moses

This morning we depart Cairo with stories of the "Land of Goshen" to the north and travel southward passing over the Wilderness of Shur, arriving in the beautiful Red Sea coastal city of Sharm el-Sheikh. Enjoy free time for a stroll along the beach and lunch before we transfer to Mt. Sinai (Mt. Horeb). Those who desire and are physically capable will depart for a memorable walk up Mt. Moses. You may choose to ride a camel part way, stop at one of the stations to take in scenery along the climb to the summit (750 steps) for a sunset to remember. Once at the top, enjoy a time of reflection and praise before departing down the mountain.

Day 12: Mt. Moses, Red Sea, Aqaba

A visit to St. Catherine's Monastery, claimed to be built around the area of Moses' Burning Bush, will be followed by a short ride to the Red Sea. A stop for lunch along the shore will provide a view of Saudi Arabia, Jordan and Israel to the north. Gazing across the Gulf of Aqaba, we can begin to imagine the miracle of the parting of the sea. We then travel north viewing the Red Sea en-route to the border crossing between Egypt and Israel. Transferring through Eilat in southern Israel, we arrive in Jordan Aqaba, Biblical Ezion Geber - the lovely seaport of King Solomon. Our lodging this evening will be in Petra.

Day 13: Petra

This morning we visit the amazing mountain fortress of Petra, known to be inhabited by the Edomites - the descendants of Esau. Begin the tour with a walk through the "Siq," an immense crack in the Nabatean sandstone, to the city of Petra carved out of the rose red rock. The Treasury, El Khazneh, is one of the most elegant remains of antiquity. Beyond El Khazneh we are surrounded on both sides by hundreds of Petra's carved and built structures. Departing Petra, we travel northward on the King's Highway where to the west we view the hills bordering the Dead Sea. This is the area of the hill-top palace/fortress of Machaerus, where John the Baptist was beheaded. We overnight in Amman for the next two evenings.

Day 14: Mt Nebo, Madaba, Amman

Mt. Nebo, believed to be the site of the tomb of Moses, commands a spectacular view across the Jordan Valley and the Dead Sea. Madaba is best known for its Byzantine and Umayyad mosaics and at the Greek Orthodox Church of St. George we may view the earliest surveying original map of the Holy land.
