

## First Class 13 Day Tour/Cruise Package

# Greece & Churches of Revelation

### Day 1: Departure from US

Today we embark on our Journey to the lands of ancient treasures and Christian history with an overnight flight to Turkey. Prepare yourself for a life-changing experience. Get some rest on the flight...Tomorrow you will be walking where the apostles walked!

### Day 2: Arrival Istanbul

We transfer to our hotel in Istanbul, Turkey for the next two evenings. Istanbul, the largest city in Turkey is a thriving seaport and commerce center with a marvelous Bazaar and Spice Market allowing for a perfect opportunity to pick up those souvenirs and unique gift items.

### Day 3: Bustling Istanbul

The tour today will be an unusual combination of Greek Orthodox, Roman, Ottoman and modern day Islam including entrance into the famed Blue Mosque and St. Sophia Church. After lunch we visit the fascinating Topkapi Palace housing the many priceless treasures and colorful stories of Ottoman Sultans. We return to our hotel for dinner and overnight.

### Day 4: Archaeological Museum, Sea of Marmara

This morning our guide will walk us through the wonderful exhibits at the Archaeological Museum. Treasures include the sarcophagus of Alexander the Great, mosaic remnants depicting the times of Nebuchadnezzar, tablets of the Treaty of Kadesh known to be between Ramses II and the Hittites during the 13th century BC and many other wonderful items. Departing Istanbul, we

travel west across "Trace," the European portion of Turkey. The summer homes along the Sea of Marmara will provide the scenery as we travel. Views of the bunkers on the hillside and the ocean going vessels give clear understanding to the commentary of the British major losses and World War I defeat in the Dardanelles Strait. Our bus boards a large ferry for the scenic crossing of the Dardanelles to our lodging this evening in picturesque Çanakkale.

### Day 5: Ancient Troy, Pergamum & Izmir

We pass by the area known as Troas, where Paul had a vision during his second missionary journey and was called to Macedonia (Acts 16:8-13). Paul later spent a week in Troas preaching here and Eutychus was resurrected (Acts 20:6-12). Ancient Troy is well known for its 3rd and 4th Century BC excavations. Don't forget to have your picture taken from the top of the Trojan Horse. Our next visit of the day is Pergamum. Once a busy trading center and famous as a "seller of purple," the most favored of the Seven Churches, the church of Pergamum was praised for its forbearance (Rev. 2:12-17). It was here that the first Christians were executed by Rome. We'll visit the fabled Acropolis, pass through the Royal Gates, view the foundations of the Temple of Zeus and visit the ruins of the library, which once held 200,000 volumes. We continue south to Izmir the third largest city in Turkey and a long time center for Jews and Christians. In Paul's day, Izmir was known as Smyrna and was another of the Seven Churches (Rev. 2:8-11). Here we'll see Polycarp's Church and the ancient agora. Our lodging this evening will be in Izmir.

**Day 6: Thyatira, Sardis, Philadelphia, Pamukkale**

A stop will be made in Thyatira to view the ancient roadway and period columns en-route to Sardis. Sardis was berated by John for its facade of strength when in reality, it was weak (Rev. 3:1-6). Here coins were minted and the dyeing of wool originated. We'll visit the gymnasium and synagogue. Our next stop is nearby Philadelphia from where we are challenged to "hold fast" and look forward to the coming of the "new Jerusalem" (Rev. 3:7-13) in the Book of Revelation. Not much is left of the city except for the ancient wall and the remains of a Byzantine basilica in the modern city of Alasehir. Our lodging this evening will be in a lovely spa hotel in Pamukkale.

**Day 7: Hierapolis, Laodicea & Colossae**

Hierapolis, meaning "Sacred City," was an ancient center for pagan cults until it was transformed into a Christian center in the first century. According to tradition, the Apostle Philip lived and was martyred in Hierapolis. It was likely the hot springs of Hierapolis in contrast to the cold mountain springs near Colossae that combined to bring application to the "luke warm" Laodiceans (Rev 3:14-22). This connection between the cities lies behind Paul's reference to Hierapolis and Laodicea in his epistle to the Colossians

(Col 4:13). Laodicea contains many acres of ruins to visit including a stadium and remnants of a sophisticated water system. Nearby Colossae is well-known throughout Christian circles as the receiver of Paul's letter to the Colossians. Today, the town has fallen into obscurity and nothing remains. We spend the remainder of the day traveling through the Turkish countryside arriving in the port city of Kusadasi where we spend two nights. The day will not be complete without a visit to a local Turkish Rug cooperative.

**Day 8: Ephesus**

We travel to the nearby town of Selcuk for a visit to the Basilica of St. John, housing an immersion baptismal and believed to be resting place of John. From here we have an excellent overview of the Ephesus harbor, the Mosque of Jesus and the Temple of Artemis, completed in its most famous phase around 550 BC and listed as one of the Seven Wonders of the Ancient World. We spend the remainder of our day in Ephesus, the city of the Bible and one of the largest restorations still in progress with miles of ancient treasures. Ephesus was once a thriving port town of 250,000 people. Today you can still see the spectacular excavations of the major streets in this ancient city where we view the Library, Agora, theatre, colorful mosaics in the aristocratic Terrace Houses, a panoramic view of the surrounding ancient port area including a wealth of church history and cultural insight.

**Day 9: Isle of Patmos**

This afternoon we embark our cruise ship and sail for a visit to the beautiful Isle of Patmos, under statutory protection as a historic monument. Here we have a tour to see the fortified monastery of St. John and the cave claimed to be where John received the Revelation. Back on the ship, enjoy dinner before settling in to your cabin for the night.

**Day 10: Crete and Santorini**

Crete is the largest and the most rugged of the Greek islands. Take an optional tour to Heraklion and the fantastic ruins of the Palace of Knossos. Discovered in 1899 and partially reconstructed, the elaborate Palace is believed to be the mythical Labyrinth of King Minos and the seat of ancient Minoan culture. This afternoon visit the island of Santorini which is perhaps the most breathtaking of

all the Greek Islands. You may choose to take an optional panoramic bus tour viewing some of the most spectacular scenery of the Aegean. Travel through countless villages and settlements with delicate architecture and beauties eventually arriving in Oia. During your time in Oia, visit the many narrow streets, open-air cafes and glittering boutiques. Upon returning to the ship, we view the lace-like caldera, the little islands of Thirasia, Palea, & Nea Kameni. We arrive at the ship for dinner and evening entertainment.

#### Day 11: Disembark Cruise – Corinth & Mycenae

We disembark the cruise this morning and travel west with a rest stop and photos at the Corinth Canal. We then travel to the ancient city of Corinth, another treat for the New Testament scholar. Corinth is the city that inspired many of Paul's most familiar letters. See the Archaeological Museum, the Market Place, the Bema, and the Temples. To enjoy a devotional in the midst of the ruins of the church of Corinth and see the pillars, steps, and public worship place where Paul preached will enhance your understanding and love of I & II Corinthians. The ruins of this important cultural center are fascinating as we walk along the stone path that the Apostle Paul walked. The engineering skill and intellect of these people are evident in the water systems that still flow from ancient to modern day. Our guide will be sure to show you the room dedicated to the medical care of that period. After the visit to ancient Corinth we travel to Mycenae where the remains of the ancient city date back to the Bronze Age to see the famous Lioness Gate, the Tomb of Agamemnon in the shape of a Beehive, and many other sites before we return east to Athens for check in at our hotel followed by dinner.

#### Day 12: Athens

Following breakfast this morning we tour Athens, the foundation of democracy. We visit the Acropolis, the Parthenon, and Erechtheum before viewing Athens atop Mars Hill where Paul stood and preached the truth to the Gentile nation. From atop Mars Hill we view the Agora below, the ancient marketplace and center of Athenian public life. Additional sites viewed during our panoramic bus tour are, the House of Parliament, the Tomb of the Unknown Soldier, Olympic Stadium, and Presidential Palace. An option later this afternoon is a visit to the famous Plaka with a multitude of shops and cafes.

#### Day 13: Homeward Bound

We transfer to the airport for our flight back to the USA.
